Federal Funding Driving Manufacturing and Economic Development in Energy Communities Webinar April 1, 2024

Opening Remarks:

- Access the agenda at: <https://energycommunities.gov/event/federal-funding-driving-manufacturing-and-economic-development-in-energy-communities-webinar/>
- Learn more about Energy Communities IWG at <https://energycommunities.gov/>
- Contact IWG Energy Communities at: Contact@EnergyCommunities.gov

Secretary Jennifer Granholm, U.S. Department of Energy (DOE)

- Learn more about the Biden Administration's Industrial Strategy at: <https://www.energy.gov/articles/remarks-delivered-secretary-jennifer-granholm-new-industrial-revolution-clean-energy>

Jigar Shah, Director, Loan Programs Office (LPO)

- Learn more about LPO's latest announcement at: <https://www.energy.gov/lpo/articles/lpo-announces-conditional-commitment-holtec-palisades-finance-restoration-and>
- Learn more about LPO's Energy Infrastructure Reinvestment (1706) Program at <https://www.energy.gov/lpo/articles/lpos-energy-infrastructure-reinvestment-1706-program>
- Access the Coal Power Plant Redevelopment Tool (GIS) at: <https://energycommunities.gov/coal-power-plant-redevelopment-visualization-tool/>
- Access the PNNL Coal-to-Solar Storage fact sheet at: <https://www.pnnl.gov/sites/default/files/media/file/PNNL-SA-190633-CoaltoSolarStorage.pdf>
- Learn more about the \$475 Million Investment to Support Clean Energy Solutions on Current and Former Mine Land at: <https://www.energy.gov/articles/biden-harris-administration-announces-475-million-investment-support-clean-energy>

Giulia Siccardo, Director, Office of Manufacturing and Energy Supply Chains (MESC)

- Learn more about the Qualifying Advanced Energy Project Credit (48C) Program at <https://www.energy.gov/infrastructure/qualifying-advanced-energy-project-credit-48c-program>
- Access a map of energy communities at <https://arcgis.netl.doe.gov/portal/apps/experiencebuilder/experience/?id=a44704679a4f44a5aac122324eb00914&page=home>
- Learn more about the Advanced Energy Manufacturing and Recycling Grants program at <https://www.energy.gov/mesc/advanced-energy-manufacturing-and-recycling-grants>

Michael Li, Deputy Director of Community Energy Programs, Office of State and Community Energy Programs (SCEP)

Resources for Chat

- Learn more about the Local Government Energy Program at <https://www.energy.gov/scep/local-government-energy-program>
- Learn more about C-SITE at <https://www.energy.gov/articles/biden-harris-administration-announces-18-million-transformative-clean-energy-projects-led>
- Learn more about communities LEAP at <https://www.energy.gov/communitiesLEAP/communities-leap>
- For more information contact: CommunitiesLEAPinfo@hq.doe.gov or LGEP@hq.doe.gov
- Visit SCEP's Office of Community Engagement and contact page at <https://www.energy.gov/oce/office-community-engagement-homepage>

Closing Remarks

- Register and learn more about upcoming events at: <https://energycommunities.gov/events/>
- Access the different coal power plant redevelopment fact sheets at <https://www.pnnl.gov/projects/coal-redevelopment/coal-x-fact-sheets>
- Access the Getting Started Guide at <https://energycommunities.gov/getting-started-guide/>
- Contact the Navigator at <https://energycommunities.gov/contact/>
- Access the Clearinghouse at <https://energycommunities.gov/funding-opportunities/all-funding/>
- Learn more about the Capacity Building for Repurposing Energy Assets initiative at: <https://www.energy.gov/fecm/articles/doe-announces-27-million-provide-workforce-development-opportunities-energy>
- Visit www.energy.gov/ to learn more about the Office of Manufacturing and Energy Supply Chains
