

Interagency Working Group on Coal and Power Plant Communities and Economic Revitalization

Through a whole-of-government approach, the Interagency Working Group on Coal and Power Plant Communities and Economic Revitalization (Energy Communities IWG) empowers America's energy communities to thrive economically for the long-term, ensuring they remain great places to work, live and raise families.

OUR MISSION

- Expand access to federal resources
- Align federal efforts with priorities set by stakeholders
- Stimulate local economic growth and innovation
- Catalyze private investments

Since 2021, energy communities have been selected for more than **\$54 billion** in federal investments and **\$315 billion** in private investments.

Federal Investments by Focus Area	Award Amount (\$M)*
Economic Development	\$7,872
Education and Workforce Development	\$356
Efficiency and Weatherization	\$358
Energy Infrastructure	\$16,666
Environmental Cleanup	\$6,043
Health and Safety	\$424
Housing	\$1,587
Low-Income Assistance	\$73
Other Infrastructure	\$16,512
Technical Assistance, Strategy and Planning	\$58
Telecommunications / Broadband	\$1,342
Transportation Infrastructure	\$2,694
Other	\$15
Total	\$54,000

* Investments are rounded to the nearest million. Investments as of December 2024.

Resources

Clearinghouse

The centralized online clearinghouse features billions of dollars in existing federal funding, including tax incentives and technical assistance opportunities, from across the federal government.

Rapid Response Teams (RRTs)

Seven RRTs are active across the country to provide focused, on-the-ground assistance in energy communities.

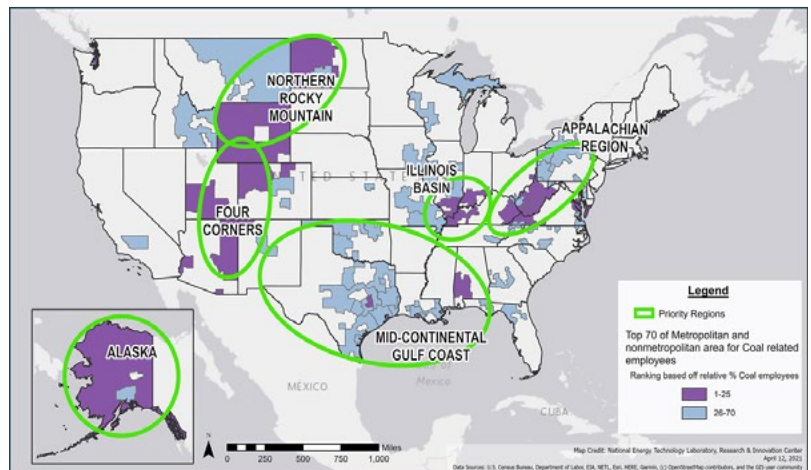

Fossil Asset Site Development Tools

Interactive maps, including a site review tool and power plant redevelopment visualization tool, are designed to catalyze private sector investment in energy communities leveraging fossil assets.

Navigator

Our dedicated team of experts can answer questions and direct energy community stakeholders to the federal agency partners or resources best positioned to support their needs.
